**Information Disclosure Statement under 37 CFR 1.97**

Honorable Director for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This Information Disclosure Statement is submitted pursuant with 37 CFR §1.97, 1.98. It is requested that the information disclosed herein be made of record in this application. It is further requested that the information set forth in this statement and in the listed documents be considered during the pendency of the above-identified application, and any other applications cross referencing, relying on the priority of, or otherwise related to the above-identified application.

The accompanying documents were cited in the International Search Report in the Parent PCT application and represent the closest information known to the applicant at this time, that was not previously disclosed to the Office. In accordance with 37 CFR §1.97(g) and (h), the filing of this IDS should not be construed as a representation that a search has been made or that the information cited is, or is considered to be, material to patentability as defined in 37 CFR §1.56(b), nor should it be construed that any information cited herein or in the attached document is (or constitutes) "prior art" for this invention unless specifically otherwise indicated.

No explanation of relevance is necessary for documents in the English language (see 37 CFR 1.98(a)(3)(i)).

Our understanding is that no fee is due in connection with this submission. If this understanding is incorrect, the director is hereby requested and authorized to charge any fee, or credit any overpaid amount, to Deposit Account No. 501392, as needed to maintain the application in good standing in the Office.

1020 REC'D PCT/PTO 22 JUN 2005

In accordance with 37 CFR § 1.98, this IDS includes (or, if applicable, includes or equivalent), together with copies, of all patents, publications, or other information submitted for consideration by the office, either incorporated into this IDS or as an attachment thereto. However no copies of US patents or published patent application are attached in accordance with office policy.

Consideration of the foregoing in relation to this application is respectfully requested.

Respectfully submitted

Shalom Wertsberger
